

## **Fighter V – Presse release**

**Fighter V** are back with a new album!

After their highly acclaimed debut album "Fighter", they are coming back stronger than ever. With international success on the released singles "Eye To Eye", "Heart Of The Young", and "Power" from the new album "Heart Of The Young", the band promises top-notch Melodic Rock that will make hearts beat faster.

With powerful guitar riffs, vibrant keyboard sounds, and distinctive vocals, the five passionate musicians take their fans on an unforgettable musical journey. The songs are filled with energy, emotion, and passion, showcasing the band's growth.

Teaming up with the award-winning producer and mastering engineer Thomas "Plec" Johansson, Fighter V has created a big production and exceptional sound with their second studio album that competes with the genre's top acts. "Heart Of The Young" is a must-have for all fans of Bon Jovi, Nestor, Gotthard, and Whitesnake.

The album will be released on September 20, 2024, accompanied by an extensive European tour as special guest of the legendary AXEL RUDI PELL. This marks another milestone in the band's rising career. With over 20 planned shows in the fall of 2024, the five guys will seize every opportunity to present their new songs to their fans. A tour full of unforgettable moments and musical highlights lies ahead.
